## Dons Downed By Fullerton In Last Quarter Of Final

By **TERRY ALLAN**  
El Don Sports Editor

After leading at the end of three quarters, the Santa Ana College grid team finally succumbed to the power of Fullerton in the final period of Eastern Conference play in Saturday night's homecoming game in the municipal bowl.

Going into the fourth quarter SAC held a 13-7 lead, but the Hornets scored three times to ruin Don hopes.

Late in the first period Dale Maeding intercepted a Dick Hough pass and returned it 25 yards to the 10, setting up SAC's first score of the game.

Jerome Lawson bulled his way

into the end zone from one yard out on fourth down and Rick Tundag split the uprights with his conversion attempt to put the Dons ahead 7-0, with 3:42 left to play in the quarter.

But Fullerton bounced right back to tie the score when Hough tossed 14 yards to JC All-American Rich Leon and Rich Carrillo kicked the PAT.

The score remained knotted at seven all through the halftime homecoming ceremonies and most of the third stanza.

Tony Gardea finally cracked in for Santa Ana on fourth down and one. The Dons' 56 yard drive had been sparked by Lawson's 30-yard run and two pass

completions from Pat Ferguson to Tony Romero.

Fullerton took the lead for keeps by marching 74 yards in 11 plays. Mike Acker squeezed in from the five yard line on the second play of the final quarter. Carrillo gave the Hornets their 14-13 victory margin by kicking the extra point.

FJC's fullback Craig Hastin added two scores before the game ended, one with only 58 seconds to go. Hastin went over from the one and three yard lines. Carrillo kicked both PAT's to make the final score 28-13.

The victory meant the EC title and a bid to the Junior Rose Bowl for Fullerton.

Santa Ana duplicated its second place finish of last year.

## SAC's Queen Nancy Reigns Over Homecoming Events

The rain which has drenched Santa Ana College in the last week dampened everything connected with Homecoming except the spirit of the people involved.

Almost 275 individuals were in attendance at last Friday's Homecoming Dance to see Nancy Thompson, sponsored by the Future Automotive Technicians of America, coronated Queen of SAC's 1965 Homecoming, by last year's Queen Sheri Maxwell.

Despite the gloomy atmosphere brought about by the seemingly endless precipitation, SAC's 51st Homecoming was generally considered a big success. Miss Thompson was basically glad it didn't rain during the game.

For Queen Nancy, Homecoming began weeks ago when FATA President Dave Steffler informed her that she had been chosen to represent the newest of the college's powerfully active clubs. From then it was a hard, wet, sometimes depressing fight.

Competition for the Queen was supplied by her court of Ann Menard, Lynn Ohlgren, Bev Charpentier, and Janie Moomaw. The girls were sponsored by the Newman Club, Circle K, Greeks, and Collegiate Christians Club, respectively.

All candidates had to fight the weather in trying to arouse student interest in the event. The turnout of 355 voters for the final election must stand as some indication of their success, as well as that of ICC President Ann King.

The girls have quite a bit in common as four of the five on the court are members of the pep squad, and four of the five are members of Las Meninas. Miss Moomaw is the only contestant not on the cheering squad, and Miss Menard is the sole member not associated with Las Meninas.

From the time of the election last Wednesday to the Las Rosas De Espana Coronation Dance last Friday many rumors about who had won the crown circulated around campus, but definite word was not given until Miss

Maxwell relinquished her tiarra at the dance.

Miss Thompson, in recalling the night's activities, felt "The band was very good, Mr. Glover has really done a lot with both the marching band and the Don Beats. They even took requests, and everything was very appropriate."

Another highlight of the evening's events came when Princess Lynn announced her engagement to George Hatfield, her escort for the evening.

The Queen and her Court were presented to the student body by Associated Students President Bert Cottle at half-time of the Homecoming Game against Fullerton.

## AWS Sponsors Talent Assembly For SAC Clubs

Talented acts from various campus clubs will be featured at the Associated Women Students Talent Assembly scheduled for Tuesday, Nov. 30, at 11 a.m. in Phillips Hall.

"Talent assemblies have been so successful in the past," stated AWS president Jackie Schlegel, "that we decided to present another one in the students' interest."

Participation is open to all Santa Ana College students and clubs. Club competition is encouraged as service points will be awarded for the winning acts. Also at stake is a coveted trophy.

Clubs which have already shown interest in this event include Las Meninas, Las Gitanas, Las Damitas, and the Womens' Athletic Association. The show will be approximately one half hour long.

"We expect a large attendance next Tuesday," Miss Schlegel announced. "It should prove to be a worthwhile program."
